2011 PSM Safety Fair Recap

PSM conducted their first annual safety training fair June 2011 by offering health and safety information that provided education from speakers as well as various safety and health partners that provided educational booths. All guest speakers promoted the well-being of our valued employees. The fitness trainer for the fair offered expert professional instruction in proper lifting and proper stretching techniques. Kevin Duke from TOSHA presented on general industry overview in walking/working surfaces which included ladder safety and proper protective equipment; our own PSM Horticulture Manager began the day with a presentation that focused on safety in landscaping and the keynote speaker for the event was Kathy Guettner from Sedgwick Claims Management that spoke on Workers Compensation, *What Every Employee Needs to Know*. The event was held on June 21, 2011 at the Tennessee Tower. We are planning our 2012 Safety Fair for March 20, 2012, we welcome all.

Caleb Cook, Fitness Instructor provided simple effective strengthening and stretching exercises for the workplace and demonstrated proper lifting techniques.

Phil Hyde, PSM Horticulture Manager provided working tips in the areas of general landscaping, and safety recommendations in proper hydration, pesticide safety and using proper equipment.
